

# EXTREEME LIMOUSINE

## Funeral Transportation Service

No one likes to think about it but we are all going to have to attend a **funeral** at some stage of our lives. While it is an upsetting and stressful time, **hiring a limousine** can take some of the worry and organizational pressure away.

**Hiring a limousine** for a loved one's **funeral** means that the family can be transported in comfort and privacy to the church, onto the cemetery and back to the wake.

Extreeme Limousine offers two 8 passenger white limousines and a 22 passenger bus for your service.

**Limousines have tinted windows and a dividing screen between the driver and passengers to ensure privacy in this sad time for the family.**

Allow us the opportunity to help with a family's transportation to the funeral services.
